RFP 2026-003 — WIOA In-School Youth Service Provision

Projected Performance Outcomes

Participant Volume

Metric	Year 1 (PY26)
Total Participants Served	80
School	Warren Central High School, MSD Warren Township
Age Range	16–19
Primary Credential	EPA 608 Universal Certification
Primary Employer Partner	2Exclusive Platinum Cleaning

WIOA Youth Performance Targets

WIOA Measure	Federal Target (PY25)	Elevate Projected Target	Basis for Projection
Credential Attainment Rate	68.0%	**75%**	EPA 608 is a built-in federally recognized credential. LMS checkpoint system assesses exam readiness before registration, reducing failed attempts. Testing fees covered — no financial barrier to sitting the exam.
Placed in Employment, Education, or Training (2Q after exit)	80.0%	**83%**	Direct hiring pipeline via 2Exclusive Platinum Cleaning. Active HVAC employer network in Marion County. Participants not entering HVAC employment connected to postsecondary education or other training.
Retention in Employment, Education, or Training (4Q after exit)	82.1%	**85%**	Apprenticeship structure creates 24-month retention by design. 12-month follow-up by Elizabeth Greene. Milestone-based wage increases incentivize persistence.
Median Earnings (2Q after exit — unsubsidized employment)	$4,300	**$5,000**	HVAC entry wages in Marion County exceed $13/hour. EPA 608 certified technicians command premium above entry level. Projected annualized Q2 earnings of $5,000 based on 20 hours/week at $13/hour minimum.
Measurable Skills Gain	69.0%	**78%**	LMS checkpoint system tracks skills gain in real time at the lesson level. Automated alerts prevent stagnation. Every participant completing at least one LMS module generates a measurable skills gain data point in Indiana Career Connect.

Credential Attainment Strategy

EPA 608 Universal Certification is the anchor credential for this program. It is:

- Federally recognized by the EPA under Section 608 of the Clean Air Act
- Industry-required — no HVAC technician may legally handle refrigerants without it
- Stackable toward BOMA, IFMA, and Indiana postsecondary occupational programs
- Administered by an approved third-party testing organization
- Covered under WIOA supportive services (no cost to participant)

Elevate's LMS checkpoint system requires participants to pass readiness assessments before exam registration, ensuring only exam-ready participants sit — maximizing pass rates and credential attainment percentages.

Earnings Projection Basis

Factor	Detail
Entry HVAC wage (Marion County)	$13.00–$16.00/hour
Hours/week (part-time, in-school)	20 hours
Q2 earnings (26 weeks × 20 hrs × $13)	$6,760 annualized equivalent
Conservative Q2 median projection	$5,000
Federal target	$4,300
Projected surplus above target	+$900

Multi-Year Projections (if contract extended)

Metric	PY26 (Year 1)	PY27 (Year 2)	PY28 (Year 3)
Participants Served	80	100	120
Credential Attainment	75%	78%	80%
Employment/Education Placement (2Q)	83%	85%	87%
Retention (4Q)	85%	87%	88%
Median Earnings (2Q)	$5,000	$5,300	$5,600
Measurable Skills Gain	78%	80%	82%

Year-over-year improvement reflects: growing employer network, refined LMS checkpoint calibration, and expanded school partnerships in Years 2–3.
